In the Spotlight

New Members of Our Team

Nathalie IMAD
Primary school teacher

Clotilde PINOCHE
Primary school teacher

Moustafa ELEOUI
Mathematics teacher

Sarab HABIB
Administrative staff

Moutasem GDID
Physical education teacher

New faces are joining our school community! We warmly welcome them and wish them a wonderful school year with us.

Our students have talent

A Young Artist in CM2

From a very young age, Fares Syriani has been fascinated by the world of colours and shapes.

Over the years, his natural talent has developed through regular, enthusiastic practice.

He dreams of becoming a great painter one day and sharing his art with the whole world.

Where Are They Now?

Our Alumni at University

The World Is Theirs!

From LFCDG to universities around the world, our alumni continue their academic journeys at prestigious higher education institutions, reflecting their academic excellence and their ability to gain admission to some of the world's leading universities.

These diverse destinations and academic programs are a testament to our students' ambition and the school's international outlook.

Meet...

After several years at our school, Mrs Lina Almaqdissi is preparing to leave us. Before her departure, she shares a few memories and a message with our community.

Mrs Lina ALMAQDISSI
Our CPE

A memory you will take with you?
At the end of the 2023 school year, after the graduation ceremony for the 12th grade, Mrs Laurence Karam (our principal at the time) came up to me and said, "Congratulations, Lina, on a successful year."

What will you miss the most?
I will miss everyone: colleagues, teachers, students...

Any final words for our community?
To my dear students, I wish you all the best, courage and every success!

A Word from Our Team

Thank you, Lina, for your dedication, commitment, and kindness throughout all these years at the school. You will always be part of our community. The school will always be your home. We wish you all the best in your next chapter and hope to see you again soon.

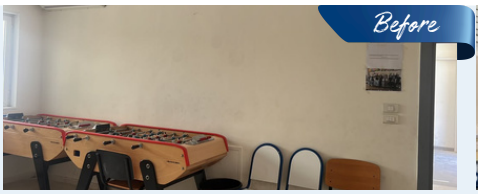

Behind the Scenes

The Study Hall Gets a Makeover

A redesigned space to better welcome our students!

The study hall has been renovated to provide a more welcoming and comfortable environment, ideal for both studying and relaxing.

Discover its transformation through photos!

Learning in Action

October: A Month of Discovery

Throughout October, our students explored, experimented, and created through a series of exciting events: Democracy Week, Science Week, Taste Week, and La Grande Lessive.
Our school community also came together to support Pink October, with a special pink-and-white day dedicated to raising awareness about breast cancer.
